Re: **Preliminary Results for Q3 2023**

Massivit 3D Printing Technologies Ltd (the "Company"), the members of the Board of Directors, the Company's management, and employees grieve and pay our respects to those who have been murdered or who have fallen during the Iron Swords war. We extend our condolences to the bereaved families and pray for a safe and speedy return of those who have been kidnapped or who remain missing. We wish a full and swift recovery for those who have been wounded. We send our wholehearted support to the Israeli security forces, their families, and to the people of Israel with high hopes for calmer and safer times ahead.

Due to the ongoing local war, the Company has decided to publish its preliminary results for Q3 2023 in a more concise manner than previously published.

The Company hereby provides an update regarding its preliminary, initial, unaudited and unreviewed assessments pertaining to its sales in both the quarterly and nine-month periods ending on September 30, 2023 ("Q3 2023" and "First Nine Months of 2023", respectively), as follows:

- a. The Company estimates that its sales in Q3 2023 amount to ~\$4.6 million compared to \$3.2 million in Q3 2022 which represents a growth of ~44%.
- b. The Company estimates that its sales in the First Nine Months of 2023 amount to ~\$11.9 million compared to \$7.33 million in the corresponding period in 2022 which represents a growth of ~63%.

The preliminary information regarding components of the Company's financial results for Q3 2023 and for the First Nine Months of 2023 above, as well as assessments and other information pertaining to future events or matters constitute forward-looking information as defined in the Securities Law,

1968. This information and data are based on the Company's subjective assessments, as well as on the analysis of information available on the date of publication of this report. This data and information constitute a projection of the Company's financial results as aforesaid. They are unaudited and unreviewed and are based on information and data available to the Company as of the publication date of this report. They reflect, to the best of the Company's understanding, the accounting principles which are expected to apply to the Company's financial statements, prior to the completion of the preparation of its financial statements for the said periods and/or their audit / review by the External Auditor. The Company's final and complete financial results (after the completion of the financial statements' audit and review) shall be presented in the Company's financial statements to be published on the date set forth by law. These results may vary from the projected results, *inter alia*, due to the application of accounting principles to the Company's financial statements in a different (even materially-different) manner than estimated by the Company, as well as due to the manifestation of all or some of the risk factors which characterize the Company's activities as detailed its ongoing and/or periodic reports.

Respectfully,

Massivit 3D Printing Technologies Ltd.

By Erez Zimmerman, CEO
