

MASSIVIT

Massivit to Present at the LD Micro Invitational XIV on Tuesday April 9, 2024

LOD, Israel, March 26, 2024– [Massivit 3D Printing Technologies](#) (TASE:MSVT), a leading provider of industrial 3D printing systems, today announced that Erez Zimerman, Chief Executive Officer, and Yuval Cohen, Chief Financial Officer, will present at the LD Micro Invitational XIV in New York on Tuesday April 9, 2024, at 1:00pm ET.

Management will be available on-site for one-on-one meetings. To schedule a meeting, please contact [LD Micro](#) or Miri Segal at msegal@ms-ir.com.

A webcast of the presentation will be streamed live at the following link: <https://ldinv14.sequireevents.com/>

Massivit will present the company's latest product updates and business milestones at the LD Micro forum including a strategic MOU with global specialty chemicals producer, Sika, the recent launch of new digital casting materials, and Massivit printer purchases by leading industry players.

About Massivit 3D Printing Technologies

Massivit 3D Printing Technologies <https://www.massivit3d.com> (TASE:MSVT) is a leading provider of industrial 3D printing solutions for the automotive, marine, rail, furniture, and themed entertainment markets. The company's solutions enable cost-effective production of large custom parts, molds, and prototypes at unprecedented speed. Massivit's vision is to transform manufacturing of large parts from traditional and outdated processes to ultra-fast, digital fabrication using industrial-grade materials. The company was founded in 2013 and its headquarters are based in Lod, Israel. Massivit provides comprehensive services to its worldwide community via a network of distributors.

About LD Micro

LD Micro, a wholly owned subsidiary of Freedom US Markets, was founded in 2006 with the sole purpose of being an independent resource in the micro-cap space.
