Dear Sir/Madame,

Re: **Massivit 3D Printing Technologies Ltd (the "Company") Preliminary Results for Q3 and for First Nine Months of 2024**

The Company hereby provides the following update:

1. The Company estimates that its sales in the **three**-month period ending on September 30, 2024 (the "Third Quarter of 2024") total ~USD 966 compared with ~USD 3.577 million in the third quarter of 2023, representing a decrease of approximately 73% compared to the corresponding period last year. The company sold 4 printers in the third quarter of 2024, compared to 9 printers in the third quarter of 2023.
2. The Company estimates that its sales in the **nine**-month period ending on September 30, 2024 total ~USD 3.555 million compared with ~USD 11.923 million in the corresponding period last year, showing a decrease of approximately 70% compared to the corresponding period last year. The company sold 12 printers in the aforementioned nine months, compared with 24 printers in the corresponding period last year. It should be noted that these are preliminary and initial estimates, which are unaudited and unreviewed in relation to the company's sales.
3. The Company is implementing the efficiency plan as planned and as reported on July 25, 2024 (reference 2024-01-078583).
4. The Company has appointed CPA Noa Chen as CFO, whose appointment will take effect on December 1, 2024.

The preliminary data regarding the components of the Company's financial results for the third quarter and first nine months of 2024, as well as assessments and other information with respect to the Company and its operations pertaining to future events or matters, constitute forward-looking information as defined in the Securities Law, 5728-1968. This information

and data are based on the Company's subjective assessments, as well as on the analysis of information available to it on the date of publication of this report. This data and information constitute a projection of the Company's financial results as aforesaid. They are unaudited and unreviewed and are based on information and data available to the Company as of the publication date of this report. They reflect, to the best of the Company's understanding, the application of accounting principles that will apply to the Company's financial statements, prior to the completion of the preparation of its financial statements for the said periods and/or their audit/ review by the External Auditor. The Company's final and complete financial results (after the completion of the financial statements' audit and review) shall be presented within the framework of the Company's financial statements to be published on the date set forth by law. These results may vary from the projected results, *inter alia*, due to the application of accounting principles to the Company's financial statements in a different (or even substantially different) manner than estimated by the Company, as well as due to the manifestation of all or some of the risk factors which characterize the Company's activities as detailed in its ongoing and/or periodic reports.

Respectfully,

Massivit 3D Printing Technologies Ltd.
